WORD FOR THE WEEK

**"Whoever watches the wind will not plant;
whoever looks at the clouds will not reap."
(Ecc 11:4)**

Beloved,

The Nation must turn to Christ! Start rebuilding your Church that is in ruins.

We are living in uncertain times. Satan is keeping people busy with their work and forgetting the things of God. The scripture verse of the week is so perfect. If we are establishing God's Kingdom, then we should not be spectators but **participants** of the establishment of the Kingdom. Many people today are sitting in the pew hearing good messages but are not using their mouth to preach Good News to people. God desires that none shall perish but all should come to the saving knowledge of Jesus Christ.

How can people hear the Gospel unless you preach? If you don't preach how can they receive Christ as their Saviour and Lord?

Our Heavenly Father will provide for all our needs but not necessarily all our wants, or all the things which have kept us from focusing on Him. You must be proven faithful before He meets you at your wants. He is a jealous God and will not have His children relying on status and wealth even if it is 'debt-wealth'. We have to stop valuing ourselves by our possessions. A loving parent must say, "no" sometimes or the child could end up getting hurt.

We have been putting our souls in danger by flirting with the aspirations of the World. We have been dancing near Hell's flames because it seems more exciting and has deceive us to forget our inner emptiness even if it is just for a few hours. Only the Holy Spirit can fill that inner emptiness; only the everyday knowledge of Jesus' love can give us purpose and hope.

In a season of plenty, we have been spending lavishly. Yet we have not put aside anything for the winter or famine days. Our Father, who loves us so much, has to let us learn from our mistakes and suffer the consequences of our own actions. If He gave us everything we wanted, He would not teach us how to walk in faith. We would never know the true joy and fulfillment of knowing His Presence and His Provision, which comes without strings attached and has no interest payments.

We must not blame God for what is happening. It was Satan who tempted us into a web of lies and we walked straight into the snares. We have become self-centred. Of course, there are others who are robbing God and so do not give tithes to God. Also, there are those who tithe but do not give offerings and do not help the poor. They allow others to pay for the food without sometimes volunteering to bless others. God will not multiply the tithes but He will multiply the offerings. You have not assigned your offerings to the tree that you want. This is another mistake you have made.

The Church is supposed to set a good example to the nations. However, it is now an abomination to the Lord. We succumb to greed and borrowings to pamper our lives and make it appear more wonderful than they could have ever been if we had lived in the real world. We were dazzled by the treasures and took our eyes from the author of our faith - the **'Alpha and Omega, the Beginning and the End.'** We settled for the temporary rather than the Eternal and, as with all Satan's gifts, there is a price that we have to pay.

We must now **REPENT, REPENT, REPENT,** and fall into the loving arms of

Christ. He is our only hope. He is the only one who can rescue us from the mire we now find ourselves drowning in.

Poverty will hit the nations that this generation has never seen before. Unless the nations turn to Christ, God's children will not be walking in light but in darkness. The Church must stand unshaken, when people blame God for their situation. Thus we are called to be a salt, a disinfectant in this rotten world. Some of the things we will have to say may sting but we have the responsibility to cleanse our nations from all the rubbish and unrighteousness. We must keep ourselves pure and not give in to the temptation to join the accusing voices that curse our God our Father. He will not let us go even when times seem to be hopeless and there is nowhere to turn. His belief in us is stronger than our belief in Him and He will provide.

Have faith in God. Do not let Jesus weep anymore. **"Jesus wept"** (Jn 11:35) because you have no faith. **"Do not be afraid O Daughter of Zion;"** (Jn 12:15) but be a salt of the earth; be a light to the Gentiles. Align to the next move of God. Cycle out of the old anointing and remove the old one so that you can put on a new one.

"Glory to God in the highest and on earth peace to men on whom His favour rests" (Lk 2:14).

May God give you a victorious week.

ANNOUNCEMENT

Celebration of 7th Anniversary

In conjunction with the 7th Anniversary Celebration, we will be publishing a magazine this year to share God's faithfulness to us. Please submit your articles for publication and together with the relevant photos to the Church as soon as possible. We also need advertising support. Kindly pick up a copy of the advertising rates from Bro David and solicit support from your friends so that publishing can be realised. In addition to this, we are organizing a Prophetic Conference by **Rev Dr. Collin Gordon** on **6th & 7th December 2010**. He will also be preaching on our Sunday service as well. Please extend your support.

Retreat at Batam – 18th to 20th June 2010

The response has been far from encouraging. Please encourage your friends to join us as it is very discouraging for a speaker to see such a poor response.

The next Healing Service will be held on 5th Jun 2010.

Gilead Bible Study – Friday 7:45pm.

The Gilead Bible Study Programme resumes on Friday, 4th Jun 2010 with Book 2, Study 13.
