WORD FOR THE WEEK

**"Salvation belongs to the Lord, Thy
blessing be upon Thy people."** (Ps 3:8)

Beloved,

For too long we have believed the devil's lie! God is not respecter of persons (Acts 10:34). He desires all of us to have abundant life (Jn 10:10). The reason why some have more wealth than others is simply due to spiritual laws that determine who has wealth and who will remain poor. If you are lazy, you procrastinate, or you do not look after your fields, then your vineyard will not bring forth abundance but only give way to thorns and nettles (Prv 24:30, 31).

Right now you may be in a situation like Isaac in the Bible. Isaac wanted to return to Egypt but he obeyed God to stay and sow in the land of famine and reap a hundred fold. Without the sowing of the seed there can be no harvest. If you want to prosper in hard times, you must start giving to God so that He can release more finances to you.

If you want more cash in your hand each month, plant more money seed into the gospel each month. God rewarded the widow at Zarephath for her willingness to obey God and follow **His Principles of Biblical Economics** (1 Kg 17:8-16). She had enough for the last meal but when prophet Elijah came and asked her for something to eat, she agreed to give to him which became the turning point of her life. She no longer was in hunger anymore. On the contrary, she had a

good harvest. She planted seed in her darkest hour because Elijah convinced her that if she planted, she would reap a bountiful harvest. When you help to meet the needs of others, God will meet your needs.

Simply planting seeds is not enough. You must know where to plant. If you plant your seeds on a concrete slab you will not reap a good harvest (Mk 4:8).

One principle of sowing and reaping is to sow on good ground. The best and most fertile soil is the ground consecrated and dedicated to producing a harvest for the Kingdom of God. When times are hard, plant your precious seed into God's work for a great harvest and to break off the debts.

Carefully select the Ministries to invest. Choose Christ-honouring, soul winning, Word centred Ministries that properly manage the money they receive. Plant your precious seed in good ground and God will return an abundant harvest to you. When the seed is precious, your seed has a guarantee of success and harvest. God knows how much you give and how much of the precious seed you have left after you give. So when your finances get low, don't stop giving.

If you want to be the two widows and Isaac reaping abundant harvest, then

plant your seeds in good soil. When you are obedient to God's Word, God will honour His Word and will fulfill His Promises. It is God's Law.

All it takes is your faith. God given faith is the key to financial freedom. It is the major ingredient in attaining the inheritance God has provided for you (Heb 6:12). The promises of God for abundant supply depend upon your faith. As you give into the Gospel, believe in faith that you will receive more and more so you can give away more and more fruit from your harvest (2 Cor 9:10,11). Have the fruit of the Spirit and apply His resurrected power bestowed unto you as witness for Him and be at peace with God. You will surely prosper. Build up your most holy faith (Jude 20).

The Holy Spirit will help you pray according to God's will. Just as our Heavenly Father gives freely to us, give freely back to the preaching of the Gospel. In giving freely, we open the storehouse of God and unleash an unending supply of His blessings.

Come and join us on 12th June at 8.30 a.m. for a **Workshop on Laws of the Harvest**. There are 12 principles. This workshop will bring to your understanding the **Laws of Prosperity and Poverty**.

God bless you.
