WORD FOR THE WEEK

"My heart is steadfast O God; I will sing and make music with all my soul ... I will awake the dawn"
(Ps 108:1-2).

Beloved,

How important it is to wake up early in the morning to seek His face! We have just completed our Church Camp on the theme "**Experiencing God**". During the Camp, we received the **Truth from God** and we are now blessed and refresh. What is next? For many who are refreshed, they want to dedicate their lives fully unto the Lord. As for others, they too are excited to serve but the "old skin" still remains. "Old skin" as you know, cannot retain new wine. So I implore you to discard off the "old skin" and go with the fresh anointing you have received. Though you have received new wine in the Camp, you still desire to use the "old skin". The old wind skin cannot contain the new wine, it will surely burst.

Now that we have a new **Leadership Team**, it is necessary for us to build the Church **differently**. We need the freshness of the Spirit to give us strength each day to build this Church according to the new move of God. Revival is coming. Are you ready? If we are not ready, we cannot be part of the harvest. So let us use our feet to walk round the streets of Singapore showing God's love to many so that they will know we are the **Disciples of Jesus Christ**. We need to manifest His Glory in the Marketplace. We should not be like Lot who live among the wicked and compromise. But we should be like Abraham living among the Gentiles and still refuse to compromise. Obedience and Unity of the Spirit are also important keys to see our Church move differently.

Are we programme oriented or are we Spirit oriented? The **Leadership Team** must gather together to pray and to seek the **Face of God** in order for the Church to grow into a dimension according to the **Will of God**. I thank God for some leaders who are gathering together to seek the **Face of God** on Saturday morning and to pray corporately for the Sunday Church Service and primarily for the Church. I challenge all the others to be there on Saturday morning at 8 am for a time of seeking the **Face of God** and corporately to pray together.

Church growth does not depend on the Pastors only. We are corporately responsible for Church growth. We are a family of God united in one spirit with God as our Father and defending each other against adversaries; helping each other get out of their troubles by interceding for them like Moses and Abraham. Like what we do with our natural fathers, we must go to our Heavenly Father for advice whenever we are not happy.

Church growth is not task-oriented but waiting upon God for revelations. We need completeness and divinity like the seven thousand in 1 Ki 19. As the coming of Jesus is drawing nigh, I believe the Captain of the Lord of Hosts is gathering His army for the endtime battle. The Church is going to rise with such great power which the world has never seen before. There will be an awesome anointing of the Lord Jesus upon His Church that those who scorn, mock and swear in the name of Jesus will be touched by the miraculous **Power of God**. We are going to witness a strong outpouring of the Holy Spirit upon the nations of the world. The **Power of God** will come like waves from the ocean resulting in countless of souls being saved by the **Power of God** and we should be those who are instrumental to receive the outpouring. The **Power of God** is greater than any tsunami or earthquake resulting in millions of souls saved.

Before City of Truth Church can move into the new move of God, each of us must be responsible to share the goodness of God, like the woman at the well in John 4, and bring them in. We must ask them to **'come and see'**. You have been chosen according to the predetermined will of the Father

and through the faithful surrender and obedience seen in the life of the eager child of God (Eph 1:4, 2 Ti 1:9). I am speaking about individuals whom God chooses for some important assignments. You are chosen for a divine purpose. God calls each one of us according to the **Grace of God**. Some are chosen to be in the Five Fold Ministries while others are called to be Witnesses of the Lord Jesus. Every believer is to be a Minister of God since we are "a chosen people, a royal priesthood, a holy nation." (1 Pet 2:9).

If we bear in mind that each one of us is a Minister of the Gospel, being a witness for Jesus Christ and bring them in, the Church will grow. There are many "hurting" souls out there. Let us reach out to them and allow the Holy Spirit to touch them and convict them. Let them partake of the goodness of God like we do. To Abraham, God said that He will bless him personally and through him a nation will be born. He will be a channel of blessing and he will be fruitful and have many descendants. Since we are of Christ's, we are Abraham's seed (spiritual heir) and we will likewise inherit the Promise.

As a Child of God and a Minister of the Gospel our spirit needs to be renewed daily and our heart needs to be circumcised always. We need to surrender our will to God and live a crucified, surrendered life day by day. Do not allow the evil one to lie to us so that we will not be ensnared. If we make an effort jointly, the Church will grow like never before. We need both **spiritual and numerical** growth.

Let us as a Church advance the Gospel and see more souls saved. This is the main priority in the heart of Jesus. Let us please God and not men (Ro 2:29).

Have a blessed week.

Rev Alicia Teo
Sr Pastor
