WORD FOR THE WEEK

**“He who works his land will have abundant
food,: (Prv 12:11)**

Beloved,

Very soon we will be in February and looking forward to another fruitful Chinese New Year. Many testimonies have been received from Norway. What about you? Sis Carrine shared of how the Holy Spirit has touched her heart so mightily that there have been miraculous encounter. Such miraculous encounter has caused her to hunger for Him so much that it led her to make a covenant with the Lord to read His word, prayer and meditate including worship for two hours a day. Her prayers have ascended to heaven. When they had to move to another premises, the President of his company sent a cleaning service to help them clean up the premises; thereby saving them all the trouble and the time. God has indeed be their strength and shield. Furthermore, the cleaning bill was paid by the Company. Praise God!

Another testimony also came out of her prayer when Darien had recognition from Keppel Group and his promotion and portfolio have been announced on front page of their website www.keppelnorway.com. Praise the Lord! In addition, Sis Carrine has made a commitment to the Lord to spend two hours with Him daily. Indeed the fire in Singapore has gone over

to Norway.

As you would have witnessed the fire of the Holy Spirit last week was strong that all had to come to the altar to seek God's glory and what an awesome presence there were. God is indeed doing something in City of Truth. Prophetic intercession congregation last week grew to 21. Praise the Lord. We believe more will come in to learn how to pray. The anointing of rain and righteousness has hit Singapore too. There will be great harvest for many who walked right with God. You can look forward confidently to what is ahead because God's Promises are sure.

Our past and present experiences must merge to make a way for us to enter the future. New wine is pouring down in all corners.

"...but be filled with the Spirit; speaking to yourselves in psalms and hymns and spiritual songs, singing and making melody in your heart to the Lord" (Ephesians 5:18-19). This is the transforming effect of the real wine of the Holy Spirit. It will release you into a spiritual boldness and liberty beyond that of which we are capable, which will glorify God and enable us to minister in great freedom and power.

However, no matter how tremendous this experience might be, we cannot continue to depend upon the experience of "drinking at the fountain

of past visitations." *It is urgent that we begin seeking the Lord to bring us into a fresh new dimension of the supernatural.* No longer are we to look back to where we first met the Lord. Nor, are we to tell the Lord how, when, or where the "new" is to come into our lives and ministries.

It is time for us to mature in the Spirit. This is what the fire of the spirit is about. God wants us to get out of our 'cocoon' and be completely changed into a holy person inclined to doing good and loving one another. We can only be transformed into a holy people only if we spend a lot of time in the presence of God, listening to Him. How do people look at you? Desire for an excellent Spirit like that imparted upon Joseph and Daniel. Only then can you turn the world upside down for Jesus.

If you are not growing spiritually, it is because you are not spending enough time with God. Why not make it a resolution to spend time with God? Spending time in prayer will make you a spiritual giant who cannot be defeated by the forces of darkness. Prayer is an eternal investment that yields great profits, so press on in intercession until you see the results of your prayers on earth as well as in heaven.

Enjoy your journey with God!!!

God bless your week.
