WORD FOR THE WEEK

“When all the Israelites saw the fire coming down and the glory of the Lord above the temple..... gave thanks to the Lord saying “He is good, His love endures forever.” (2 Chr 7:3)

Beloved,

The word from the Lord this week to you is to be thankful for our existence and to come out of our resting place and dedicate our temple to Him. The fire of His glory that came down on us heavily for the month of January was to cleanse us from all sins, iniquities, transgressions and for empowering, understanding, illumination and revelation. When God gave Moses that amazing, redeeming commission to deliver a nation from bondage, He came through fire - the angel of the Lord appeared to him in a flame of fire out of the midst of a bush, a fire that could not be consumed (Ex 3:2). God's fire is a supernatural fire it purifies, heals, blesses, redeems, empowers, restores and creates. The Lord wants us to steward His fire so that He can give us more.

Part of our worship is to kindle and fan the flame in our hearts, catch the fire and become carriers of His Glory. When we are on fire, many things happened: Oppression and Depression have to flee. We are so passionate for Jesus' love and that love keeps growing stronger and stronger unceasingly. We desire to be transformed and conformed into His image. We have evidence of the fruit of the Spirit in our lives. We want more and want to ignite others too. The more you welcome His fire, the more it drives you to burn brighter. The fire we received was a supernatural fire from heaven that gives us the breakthrough.

As I obeyed God to send the fires of revival to the Philippines, it was so strong that they had to be on their feet repenting before God and received new restoration, new alignment and new assignment. On my return, testimonies of breakthrough kept pouring in. The Pastor shared that someone came to offer a land for half the price which he could use to accommodate the missionaries. He need not have to pay the full amount but only 20% and the rest can be paid in ten years. It is in the heart of the city and this is amazing. On my last trip, he also had been offered a land of 2,000 sq. metres for a ridiculously low rate. Today this land is worth 3,300 pesos per sq. metre - thousands of times of what he paid for. This was because at the time of purchase, it was under legal suit but on my recent trip as previously he had received prophetic words of break-through from me, the owner won the court case and so this property is back to its value.

While returning back to Singapore, a brother shared his breakthrough. A property he was working on before my trip was a difficult one. He faithfully sowed a good seed for my Philippines mission and on Wednesday night, I anointed his hands for miraculous financial provision when he responded to an altar call. On Thursday noon, he closed the first transaction of the year for \$2.1 million. To God be the glory!

Church, the fire that we received in January was to break the curse of poverty over the land and I prayed against the poverty in Philippines and

on Wednesday night, I bind the curse of poverty over Singapore and the Church.

We now enter into a new Glory realm. We are to remove those words which is not reflecting the Glory of the Lord and allow them to be pushed out by the **River of Living Water** and the **Fire of the Spirit** in you so that you have boldness to say, **"This is who I am in this season."** Recently, I also have smelt sweet aroma of His incense indicating the smell of sacrifices. This is because the burning has been rekindled. You have smelled the burning from the past but you have not seen the fire. Smell the burning and watch for the fire that will come alive. God is blowing on the fire. The smell of burning is on you but now the fire will ablaze in you. Today, God is releasing a new **Fire** through His people.

Remember how I released the word that for the month of February God's fire is inside us to ablaze us. Now God is asking you to ask Him to open the fire gate and cause the smell of burning that has been purifying you in the last several months to turn into a new blazing fire. This new **Fire** is going to make you whole and cycles of infirmity must go.

Watch the Lord setting a **Fire** in you. Bring a good sacrifice to Him this week and you will witness the beginning of the entry into a new realm. The Church will be going on a **30 days prayer and fasting** for the month of March and I will give you guidelines on how to pray so that all those who are still in poverty will cycle out of poverty and lack.

Be blessed this week and hear what the Spirit has to say through me on the first and third week of March. God bless
