WORD FOR THE WEEK

"Behold, I will send you Elijah the prophet before the coming of the great and dreadful day of the Lord." (Mal 4:5)

Beloved,

Greetings in the mighty matchless Name of Jesus!

God spoke on 31st December that 2010 is a year of invading the enemy's strongholds, taking the high places where false altars have been set up to the Lord. It is also a year of supernatural where those who know God in a deeper way shall be strong and do great exploits. It is not for the faint at heart. It is a year of advancing fearlessly despite fears all around. The power of God is going to increase as well as the "shakings".

We believe God's grace is to abound in our Church and many supernatural suddenness will come and already we have seen multiple promises and blessings in people's lives as we ministered to them.

We believe it is not by chance but by divine favour of the Lord that we have trained close to 100 people in the last Healing Seminar so that they could go to the marketplace to speak to the diseases, the sickness and the oppressed that they be set free so that salvation will take place. Last week, we hear of many great testimonies for the Lord and how "distance healing" has caused many miracles to take place. People are even healed in cell groups and in the Church. **Rev William Lau** has asked us to follow up with applications and for this to come into fulfilment we need to exercise our

faith to heal the sick. It is in this context that we are going to start the weekly teachings of **Elijah Challenge** in order to complete the course so that you will be better equipped for this purpose. Our first meeting of brainstorming will start on 3rd April. Come and join us.

Today, the Church has for too long been in Acts 2. We need to move beyond Acts 2 to enter the realms of Acts 4. Acts 4 talks about manifestation of His Glory as the apostles did and pray for new Glory. When His new Glory came, signs, wonders and miracles took place. We need to take His Glory beyond extreme horizons of understanding.

I believe we have entered into a new Season in Church history where we have to go beyond Pentecostal experiences. We must challenge the powers that hold back advances the Church wants to make.

Once Glory invades the Church, there will be supernatural acceleration of the things of God like in the days of Elijah in 1 Kings 18. The world needs to know of the supernatural powers of God. May God use us as instruments to do the supernatural!

Lack of prophetic declaration also hinders creation and 'birthing' of those things into existence. We cannot go on without prophetic declaration. The Church is built upon Prophetic and Apostolic nature of God.

When Elijah proclaims the Word, he prays until it comes into fulfilment. Each one of us has a different anointing. It is the convergence of anointing that will cause a 'big explosion' of His glory. May God empower the Church this day to be a dangerous weapon against the enemy! Be prepared for Glory Invasion!

Let us unite our hearts to pray for God's Glory. We can only move into the supernatural realm only when His Glory comes. Once you are in this Glory Realm, all things are possible.

Why did God say that in the year 2010 great favour will be released with the 'suddenness of the Lord'? The reason is that when His Glory comes upon the Church, there is a 'big bang' which will rip across time and space to bring into being what is not as we take a step of faith to declare His Word to the Church.

God will bring to pass the miracles with His Presence (His Glory), the sound or sound waves and His energy. All must play a part for the supernatural to take place. I will share with you next Sunday on "Experiencing His Glorious Presence".

Be blessed this week.
