## WORD FOR THE WEEK

*"And all the tithe of the land whether of the seed of the land or of the fruit of the tree is the Lord's. It is holy to the Lord." (Lev 27:30)*

**Beloved,**

We thank God for the breakthrough as we leave our 'Gethsemane' transitional prayer to a new spiritual season. God's ways are indeed not our ways. After departing from Kuala Lumpur early this week, I begin to see God's healings, miracles, clarity in hearing God, prophetic words, signs and wonders and overwhelming Glory of God and His provisions taking place at its highest point. As born again believers, we need to always walk in the spirit of the season believing God for an open Heaven portal that will open up only when we come together in oneness in the spirit as one Body of Jesus Christ.

On Good Friday, we all gathered together to search our own hearts of any hidden sins, asking God to forgive, cleanse and deliver us as we enter the next spiritual season. We even ask God to send revival to Singapore. Some of the blessings that God promises in Exodus 23 are listed below:

- (a) God will always assign an angel to protect you
- (b) He will extend to you His blessings – spiritual, emotional and financial
- (c) He will take sickness away from you and your family
- (d) He will give you long life to serve Him
- (e) He will cause increase in your life
- (f) He will give you a special year's blessings.

As I obeyed God to give my largest offerings for the month of March 2010, I witness the miraculous financial blessings flowing back to me a thousand fold not only in finances but also in His greater glory, miracles, healing and blessings. This comes about through obedience,

worshipping Him and giving sacrificially to God. I therefore challenge you this season to give sacrificially that you too might enter into similar glory.

It is a universal truth that God does not hand out all of His gifts on a silver platter. A good illustration of God's nature is seen when He gave the Promised Land to Israel. It was a gift but they had to violently fight to receive it. There was not one square foot that came easily, yet scripture clearly states it was God's gift to them. God has set aside a portion of the world's wealth for you. It is yours to inherit. But to take control of that wealth involves your decision to violently fight and take it out from the control of God's enemies just as Israel took the Promised Land from the enemies of God. This fight was not in the physical but also in the spirit world.

Many business entrepreneurs failed today because they did not balance their business life with the spiritual. We all know that treasures can never be attained without deep exploration and it must first start with fighting in the spirit. **Jn 8:32** tells us "**Then you will know the truth, and the truth will set you free**". Until we know the truth we cannot walk in the truth.

There is a difference between head knowledge and heart knowledge, the difference between Logos and Rhema. Logos is the written word but Rhema is the Word of God living in you. Till the Word becomes Rhema, a whole new flow cannot come to you. Wisdom cannot come to you. Healing functioned through you in the power of the Holy Spirit. It cannot operate through you until the word becomes Rhema.

Right now you may be crippled in the area of your finances. You may be the victim of your environment which taught you that poverty is Godly and which has brought about a poverty atmosphere around you. In **Dt 8:18**, God has given you the power to produce wealth. If God has given you the power to produce wealth, then why are you in lack? Think for a moment. I believe **Mt 6:33** was not clearly understood. In **Mt 6:33**, we are to establish His kingdom first, then God will do His part and give you 'all the things' that you need and want for the good life in abundance.

Till you use your wealth to establish His kingdom first, he is definitely not likely to add all the things unto you. Many have attained wealth but failed to establish His Kingdom first and because they did not do that, what they have were taken away. God has given you the supernatural power to get wealth.

That power is activated only through your faithful giving to establish His covenant here on earth. If you cannot give now, what makes you so sure you can give to God when you reap the millions. **Lk 16:10** is very clear. "**He that is faithful in that which is least is faithful also in much; and he that is unjust in the least is unjust also in the much.**"

Leave your Gethsemane! Jesus is Risen! He wants to give you a life of abundance but first you must obey His commandment on giving.

## **Testimony –**

Sis Catherine last Wednesday called Rev Alicia Teo for prayer as there was blood in the urine. Rev Alicia prayed for her and also taught her how to pray. Praise God! She was set free from this infirmity on the same evening. We give God all the Glory for His Grace and Mercy.
