## WORD FOR THE WEEK

*"His delight is in the fear of the Lord, and he shall  
not judge by the sight of His eyes nor decide by the  
hearing of His ears." (Isa 11:3)*

### Beloved,

What are you hearing? Are you hearing the Holy Spirit right? Are you believing God or are you judging by your own eyes and deciding by your own hearing?

Since sin came into the world in Genesis 3, the good things God meant for men were destroyed but not totally lost forever, owing to His love for mankind and His plan to save them from the perishing fire. God wants to orientate our lives but men chose to eat the 'fruit' and go their separate ways. Therefore God allow men to have their own choices. From the beginning, it was not God's plan for men to make choices and it is in this context that He does not allow Adam to eat the fruit from the one and only tree which makes men have knowledge between good and evil. The greatest sin on earth is men's choices to separate themselves from God.

Yet thanks be to God that Jesus came to die on the cross for us to save us from the perishing fire! He chose to be with us... **Immanuel... God is with us.** The greatest promise God gives to us is His **Presence.** For God to be with us indicates He has dealt with our sin. Having His divine **Presence** means no matter who is against us every resource

of heaven is at our disposal. Fear God and heed His Word is the key He instructed in **Isa 8:11**.

Until you seek Him continually, you will not know how loving, powerful and wise God is! To squander one day without enjoying His **Presence** would be tragic. Yet we can become enamored with our plans and pleasures and we can begin to value them more than we treasure our relationship with Him. Should not a God's people seek their God? Should they seek the dead on behalf of the living? (**v19**).

What is going through your spirit now? Are you in distress? Whenever fear or uncertainty sets in, remember that Christ can bring peace to any situation. Just be still. The most difficult circumstances, the most ruthless enemy, the deepest pain – none of these is beyond Christ's reach. He can bring peace into your heart and mind. No one can bring such abiding peace other than Jesus (**Is 9:6**).

God's plans for your life will surely come to pass. No world power or satanic force can stop Him. The forces of Evil may appear powerfully in control but what God intends He will ultimately and certainly accomplish as you flip into the sacred treasures of His Promised Word "the Bible". Praise to God we have victory in Christ Jesus! How Lucifer has fallen from heaven! How he is cut down to the

ground! Lucifer wanted to be like God but at the end, God still emerged the Champion. If God is the Champion, then why should we fear the 'python-like demonic structure'?

Is God with you or is God far away? Are you listening to the Holy Spirit or men's voices?

God is not daunted by your circumstances or your failures. His purposes do not fail; His will shall be done. You may grow discouraged but God will pull you true. Keep praising the Lord and sing a new song unto Him.

Where do you turn for advice? Whose opinion influences you the most? If people's counsel is more important to you than God's, God will show you what their strength and wisdom can do for you. It is foolish to turn to people for things God promised to give (**Is 47:13**).

It is foolish to ignore God's Word or to argue with Him. His purposes are inevitably accomplished. We can adjust our lives to His Word and experience life or we can ignore God's Word and face the consequences.

What choices are you making today? Your Choice!

Be blessed this week and enjoy His **Presence**.
