# WORD FOR THE WEEK

**"...our God is greater than all other gods." (2  
Chr 2:5)**

### **Beloved,**

Do you believe that our God is greater than all other gods? If you do believe, then you will see miracles happening in your life each day. While my family and I are being challenged this season, I know God is in control. I believe in a God of the supernatural. If you believe in the supernatural rain and miracles then you are in for miracles. I have seen miracles in my life throughout my walk with God and miracles certainly do happen as we pray David's prayer:

"Wealth and honour come from you  
You are the Ruler of all things,  
In your hands are strength and power  
To exalt and give strength to all  
Now, O God we give you thanks and we praise your  
Glorious Name!"

As you focus upon Him instead of materialism or breakthrough in your life, you will be amazed at the miracles coming to your life. I have learnt to **empty** myself and be **dependent** upon Him. Yes, there are challenges but I chose to exert the apostolic authority and influence He has imparted to us at the time of resurrection. As we appropriate the blood of Jesus and His resurrection power of the cross over our lives, we triumph. I have learnt from Mahesh Chavad that triumph goes beyond victory. I have also learnt that we should look beyond the cross each day and I cling onto Him for supernatural rain.

Let miracles happen to you. A miracle is not only wonderful but has the sense of being a new thing.

This new thing awakens us to a Divine power that our eyes were unable to see. His finger and working Power has an appropriate place in the great plan and purpose of our lives that have knitted us together in Him. Miracles produce revelation. What we could not see with our naked eyes, we now see!

It all depends upon your faith. Only with faith can miracles happen. Jesus did miracles and wonderful works of healing. In Jesus' hometown he could not perform miracles because the people lacked faith. Why can't we do more in our hometown than overseas? It is because people here are too familiar with us that they could not believe God could use us. It is time for people to believe that they might see miracles because it is not us but God and for His Glory. Like Jesus, we are not powerless to perform miracles but it is the atmosphere in our own country that prevented our Lord from exhibiting the power of faith. However, some miracles do happen through my hands as people place their trust in God instead of looking at me and God released His miraculous power. God assures us that if we believe then He will do the impossible and He withholds nothing from us.

So move into this new season of miracles and supernatural rain as we wait and pray faithfully to Him. Let the Lord reorder your day and war with prophetic words that were

spoken into your life to unlock the seeds you have sown into the Kingdom.

Can the City of Truth Church grow? Why not? It depends upon your faith and upon taking an initial step to share Jesus with people and touching their lives and drawing them to the Church. We need God's wisdom, knowledge and understanding to lead His army. We need to partner Ministries as well as people with skills and talents to help us build. We cannot build them ourselves. We can build only with you in oneness of the spirit and with others who share in the vision God has given to us. In fact, the vision is so clear and every church should do it – **Moving People on to God's Agenda!**

Are you fulfilling the vision of moving people to God's agenda? Solomon built the magnificent temple with God's wisdom, knowledge and understanding, with his strategic alliances and with those who have the talents and skill to build the temple.

Let us encourage one another in the Lord to build this magnificent Church and use **Biblical Principles** of King Solomon. With **Biblical Principles**, I can assure you this Church will be **dynamite to all nations.**

God bless your week and have a Blessed Holiday.
